

TONOMETRE

Auto Non-Contact Tonometer 80

This Computerized Tonometer makes intraocular pressure measurements easier and more comfortable than ever before. It features a 30% faster measurement time, a triple patient safety function, and a dual sensor measuring system.

Key Features

Innovative dual sensor system for accurate measurements

Triple patient safety function

New alignment bar & improved air cylinder reduces the interval time between measurements by 30%

Built-in printer

Fast, easy and accurate intraocular pressure readings

Internal fixation target

Auto alignment

Auto measurement
